

4th Day of the JCC: 25.11.2015

The 4th day of the JCC began in the IFT with the Master Class. Emilien Lazon, supervisor of special effects had livened up the session which had for theme "Steps, techniques and production of visual effects in the cinema". The Master Class was marked by the presence of several broadcasting students, new graduates and also Tunisian and international journalists.

In Media Center, the director Rana Salem welcomed the interviewers for a press briefing in 1 To 1. In the 5th floor of the AFRICA hotel, took place of 4th Press Lunch, organized by AfriCulture magazine «JCC / FESPACO how these festivals represents Africa in its entirety? Perspectives to be underlined, orientations in front of artistic stakes". Journalists of AfriCulture, TV5 Monde, France 24 and other national magazines were present.

In the Majestic hotel in Tunis, took place the RoundTable meeting of CREDIF (French), the researches, studies, documentation and information about France center which discussed the theme "Women and Violence in Image". The participants, as well as Pr. Dalenda Lagreche Chief Executive Officer of the CREDIF were interested in "Cliches, woman as an object and stereotypes as well as the limits of the Tunisian movies".

A Press conference of the Egyptian actor Mahmoud Hmida in the Media Center was presented by Khamies Khayati, and aroused the interest of several Arabic journalists.

The city of Tunis knew an animation by the projection of the movie "Human" of Yan Arthus-Bertrand (long film) in the Habib Bourguiba Avenue. And concerning the JCCities, regions also knew a public projection of the same movie.
